Good Faith Estimate

Under Section 2799B-6 of the Public Health Service Act, health care providers and health care facilities are required to provide a good faith estimate (GFE). A GFE is a document listing expected charges for items and services to individuals who are not enrolled in a plan or coverage or a Federal health care program, or not seeking to file a claim with their plan or coverage both orally and in writing, upon request or at the time of scheduling health care items and services.

For more information about a good faith estimate, visit www.cms.gov/nosurprises or call 800.985.3059.
